Do you wish you knew more about how to help families who experience baby loss in a miscarriage, stillbirth, or impending death?

Would you like to know how to be a parents' Loss Advisor or Loss Doula?

At this in-depth training, you will become more prepared, confident, and comfortable with helping families at the time of their loss and over time. Expect practical experience, multimedia, small group discussions. Some topics covered in the 10 Educational Modules—

- Lay the foundation for 'why' every mother and father deserve the best trained, compassionate care.
- Birth planning, slowing down the process, helping prepare parents to meet their baby, palliative care, companionship at the time of loss and beyond,
- Communication strategies with staff, family members, and parents
- Help with siblings, memory-making, returning to work, and more...

Parent Advocate, author, In'tl Speaker, President Babies Remembered and Baby Loss Family Advisors™ and co-founder Baby Loss Doulas®.

She has conducted over 2,000 workshops, seminars, support groups, and other trainings.
